

NOTICE OF UTILITY TARIFF FILING

In accordance with 3 AAC 53.243(c)(6), ACS OF THE NORTHLAND, LLC (ACS-N) Glacier State and Sitka study area, submitted TA194-359 to the REGULATORY COMMISSION OF ALASKA (Commission) on August 17, 2017, proposing various revisions to the rules and regulations section of its tariff. In general, the proposed tariff filing attempts to simply the ACS-N tariff by (1) eliminating any outdated business processes that are no longer employed by the company, (2) removing duplicative provisions within the tariff and (3) streamlining existing language to improve the readability of the tariff.

For example, Tariff Sheet No. 3.14, includes language which states that customers that sign up for automatic bill payment will receive a one-time \$5.00 credit on their telephone bills. While ACS-N continues to offer automatic bill pay to customers as a payment option, the company no longer offers a one-time \$5.00 credit. As shown on revised Tariff Sheet No. 3.14 language regarding the \$5.00 automatic bill payment credit has been deleted and replaced with the language that states that a customer may sign up for automatic bill payment.

In addition, the existing tariff includes two sections that discuss the filing and disposition of customer complaints (*see* Sections 3.2.7.6 and 3.2.11). The provisions in each of these sections includes identical language that is duplicative and unnecessary. Therefore, the language included in Section 3.2.7.6 has been deleted.

This notice does not contain all requested revisions and the Commission may approve a rate or classification which varies from that proposed.
