

BUSINESS SIMPLE

VOICE PLANS FOR SINGLE LOCATION BUSINESSES LOOKING FOR A RELIABLE, STRAIGHT-FORWARD PHONE SERVICE

Whether you need a basic line for an alarm or credit card system, or a more advanced phone line with premium features and enhanced functionality, choose from these plans to meet your needs.

BUSINESS SIMPLE PLANS

Business Simple Basic ✓

No-frills calling with just the basics. Simple Basic includes a business line with unlimited local calling. This is best for a home office or a small store-front.

Business Simple Plus ✓✓

Need calling features, like caller ID and call forwarding? Business Simple Plus gives you everything in the Basic package, plus most popular calling features, voicemail, and an optional discounted long-distance plan.

Business Simple Premium ✓✓✓

This is the package for those needing the most out of their phone service. Business Simple Premium gives you everything in the Plus package, plus popular features including: Find Me/Follow Me, OnePlace Online, and voicemail to email. Premium also includes voicemail and an optional discounted long-distance plan.

*Full features list included on reverse.
