

BUSINESS SIMPLE

BUSINESS SIMPLE IS A VOICE SERVICE PLAN DESIGNED FOR SINGLE LOCATION BUSINESSES LOOKING FOR A STRAIGHT FORWARD, RELIABLE PHONE SERVICE.

WHETHER YOU NEED A BASIC LINE FOR AN ALARM OR CREDIT CARD SYSTEM, OR A MORE ADVANCED PHONE LINE WITH PREMIUM FEATURES TO ENHANCE FUNCTIONALITY, BUSINESS SIMPLE HAS THREE PLANS TO MEET YOUR NEEDS.

BUSINESS SIMPLE PLANS

Business Simple Basic ✓

No-frills calling with just the basics. Simple Basic includes a business line with unlimited local calling. This is best for a home office or a small storefront.

Business Simple Plus ✓✓

Need more phone calling features, such as caller ID and call forwarding? Business Simple Plus gives you everything in the Basic package, plus the 12 most popular calling features, voicemail, and an optional long-distance plan at a discounted rate.

Business Simple Premium ✓✓✓

This is the package for those who need the most out of their phone service. Business Simple Premium gives you everything in the Plus package, plus popular features such as: call forwarding, intercom mode, and three-way calling. Premium also includes voicemail and an optional long distance plan at a discounted rate.
