MICROSOFT OFFICE 365 CHANGES HOW WORK IS DONE

GET WORK DONE FROM ANYWHERE

Be productive whenever, wherever using the familiar Office apps. Access, edit, and share your files from any device so you can get work done in the office and on the go, online and off.

USE MICROSOFT OFFICE 365 ON YOUR TABLET

Access your documents and make edits on the go with Office apps from your Microsoft Surface tablet.

ACCESS YOUR DOCUMENTS ANYWHERE

Office saves to your online storage by default, so your files are automatically backed up and linked to you virtually anywhere you go.

WORK BETTER TOGETHER — SIMPLY

Microsoft Office 365 offers business-class email, shared calendars, IM, web conferencing, and access to the most up-to-date documents stored in the cloud. You can work together in real time without compromising security.

ALWAYS BE UP-TO-DATE

Since Microsoft Office 365 is in the cloud, it is always up-to-date. No patches or software upgrades necessary. Microsoft is adding new value and capabilities on an ongoing basis.

CUT HARDWARE AND ENERGY COSTS

Without servers to run for email, websites and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

REDUCE YOUR CAPITAL EXPENDITURE

Avoid large up-front costs with a simple subscription.

LICENSE PER USER

Simplify licensing while providing each user access to business critical technology on five PCs, Macs and five mobile devices. Save money when compared to traditional, per device licensing.

SCALE YOUR BUSINESS QUICKLY

Microsoft Office 365 grows with you. Adding a new user is as simple as buying an additional license.

LICENSE WHAT YOU NEED

Microsoft Office 365 provides many plans to fit the right capability needs and price points for each user in your organization.

CUSTOMER SERVICE

Reliable support staff that will set up, maintain, provide technical support 24/7 and help you migrate your applications to the cloud.
