

CHOOSE THE RIGHT PLAN FOR YOU

Get the most from your HOME VOICE service.

Home Voice Basic

No-frills calling with just the basics. Unlimited local calling is included with your home line. Enjoy a crystal-clear connection with no dropped calls and no delays.

Home Voice Plus

Need to have long distance, but don't use it often? Home Voice Plus gives you everything in the Basic package along with 100 minutes of out-of-state calling. Includes our most popular calling features and voicemail.

Home Voice Premium

This is the package for those who need the most out of their phone service. Enjoy unlimited local calling, advanced features, 300 minutes of out-of-state calling, and the reliability and impeccable quality of the Alaska Communications voice network.
