INTERNATIONAL COMMUNICATION SERVICE

SERVICE DESCRIPTIONS AND RATES

1. GENERAL DESCRIPTION OF INTERNATIONAL COMMUNICATION SERVICE

- 1. International Communication Service is offered to subscribers for communication between the United States and designated foreign countries on a switched basis at charges determined by the destination and duration of the call.
- 2. A customer may provide his own dedicated facilities to access ACS-LD's terminal location where such dedicated facilities are required.
- 3. ACS-LD offers its service subject to the availability of the necessary facilities and/or equipment. ACS-LD reserves the right to refuse to provide service to or from any location where the necessary facilities and/or equipment are not available. (See Rules & Regulations).

2. SPECIFICS OF INTERNATIONAL COMMUNICATION SERVICE

- 1. International Communication Service consists of the use of intercity and foreign communication facilities shared among multiple users, and is offered with various service options.
- 2. International Communication Services is a one-way multipoint service allowing the customer to originate calls via local telephone lines or via dedicated access lines from the customers' facilities and terminate calls via local telephone lines. Customers may originate IDDD and Operator Service calls only at ACS-LD origination points. Customers may originate ACS-LD Calling Card calls from ACS-LD origination points, the Contiguous 48 States, Hawaii, Puerto Rico, US Virgin Islands, and Canada. Customers may terminate calls at any foreign point specified herein.

SERVICE DESCRIPTIONS AND RATES (continued)

- 3. A listing of each call, its duration, and its cost is provided with the monthly bill. At additional cost, customers may (1) reduce the number of dialed digits through speed dial or automatic dialers, and (2) receive call records on magnetic tape. (L)
(L)

3. SCHEDULE OF CHARGES

1. Classes of Service

The classes of service available to most countries include: International Direct Distance Dial (“IDDD”), Operator Station and Person-to-Person, and Calling Card. The classes of service available to a country or area are indicated on the respective rate schedule. Sections 3.2 through 3.5 below apply to all countries.

2. Rate Periods

The rate period (e.g., Standard, Discount, Economy) applies as specified for each country or area. All messages’ minutes are rates according to the applicable rate period, regardless of whether a message begins in one period and ends in another Chargeable time for a rate period (e.g., 7AM - 1PM) begins with the first stated hour (e.g., 7AM) and continues to, but does not include, the second stated hour (e.g., 1PM).

3. Initial Periods

- 1. The initial period for Operator Station and Person to Person is a minimum of three minutes. The initial period for IDDD service, Alaska originated Calling Card, and non-Alaska originated Calling Card calls is one minute.
- 2. The initial period rates for Operator Station and Person-to-Person calls are constant, on a twenty-four hours per day, seven days per week basis.
- 3. The initial period rates for Direct Dial and Alaska originated Calling Card calls are listed as “IDDD” in the rate schedule. The initial period rates for Operator Station calls are listed as “Station” in the rate schedule. The initial period rates for Person-to-Person calls are listed as “Person” in the rate schedule. The initial period rates for non-Alaska originated Calling Card calls are listed as “Card” in the rate schedule.

4. Additional Periods

- 1. For all calls, the additional period rates are for each additional minute, or any fraction thereof, that the telephone connection continues beyond the initial period.
- 2. The additional period rates for Direct Dial and Alaska originated Calling Card calls are listed as “IDDD” in the rate schedule. The additional period rates for Operator Station and Person-to-Person calls are listed as “Operator” in the rates schedule. The additional period rates for non-Alaska originated Calling Card calls are listed as “Card” in the rate schedule.

SERVICE DESCRIPTIONS AND RATES (continued)

5. Rate Calculation

Charges are applicable to the total connect minutes of a message. The proper initial and number of additional periods shall be determined by using Section C 3.8. The proper service type from Section C 3.8 for the applicable country will determine the rate for each initial and additional period. The total rate shall be the sum of the initial period rate and the product of the additional period rate times the number of additional periods.

Effective: April 3, 1997

6. Definitions of terms in the rate schedule:

“12M” denotes twelve o’clock midnight

“12N” denotes twelve o’clock noon

“Operator” denotes Person -to-Person or Station-to-Station calls

“Person” denotes Person-to-Person calls (placed to a specified person)

“Station” denotes Station to Station calls (placed to a specified telephone)

“IDDD” denotes International Direct Distance Dial calls

7. Applicable Rates for Specific Call Types

1. International Direct Distance Dialing (“IDDD”) - International Direct Distance Dialing is only available to those countries identified in this document as IDDD. Due to technical limitations in local company offices, IDDD Service is not available at all Alaska locations. Only specific locations identified in the document are eligible to receive the IDDD rate. IDDD rates are applicable 24 hours a day.
2. For Operator Calls originating in Alaska, the Operator Station or Person-to-Person rate depending on how the call is placed, applies for the initial three minute period, or fraction thereof. For each additional minute, or fraction thereof, the rate from the applicable rate schedule applies to calls placed for the overseas country or area.

3.	For Calling Card calls requiring Operator assistance, the Operator Station or Person-to-Person rate, depending on how the call is placed, applies to the initial three minute period, or fraction thereof. For each additional minute, or fraction thereof, the rate from the applicable rate schedule applies to calls placed for the overseas country or area.	(N)
4.	For IDD calls placed to cellular or other wireless devices, calls will be billed at the appropriate country code rate for the area in which the wireless device is located.	(N)

8. Time of Day

The time of day is determined at the origination point, with the following exception. The time of day for 800-accessed Calling Card calls is based upon Anchorage, Alaska time.
