**2. ACS INTERNATIONAL SOLUTIONS PLAN**

Beginning November 17, 2003, customers who meet the eligibility requirements and request to enroll in the ACS International Solutions Plan will receive the rates listed below. The rates are effective 24 hours per day, seven days per week, for the countries included in the plan. The plan only includes International Direct Distance Dialing ("IDDD") calls. Calls are billed in six (6) second increments with a thirty (30) second minimum.

Monthly Fees

Residential Customers \$1.95 Per Month, Per Account  
 Business Customers \$3.95 Per Month, Per Account

Eligibility

Customers must enroll in the plan, pay the applicable monthly fee, and have all of their long distance service with ACS Long Distance, Inc. to qualify for the plan. Additionally, customers must subscribe to ACS local service, where available, to be eligible for the plan.

Customers are no longer eligible for participation in International Solutions Plan if they switch any of their long distance or local service (where available) from ACS after signing up for the plan. Customers who are no longer eligible for the plan automatically revert to the ACS-LD basic International rates under Section 3.

Note: Country Codes listed with a (C) designation refer to rates for Cellular calls originated from ACS-LD origination points. Under the ACS International Solutions Plan, customers may terminate calls to cellular phones at the rates listed with the (C) designation in the listing below. All other calls to cellular phones are rated based on the standard Class of Service and Time Periods in Section 3, Schedule of Charges.
